Heinz Co. to Have a Real Radio Banquet

THE ONE IN HOLLAND TO BE AT WARM FRIEND TAVERN SATURDAY EVENING

President Hoover Will be One of the Speakers on This Occasion

The H. J. Heinz Company, with its second largest plant in Holland and headquarters at Pittsburgh, Pa., is planning another gigantic radio banquet. One was held some six years ago when the statue of the late H. J. Heinz, founder of the plant, was unveiled, and the employees in the different plants about the country who had given long service were given gold medals and other deserved recognitions were handed out to the faithful.

The plan this Saturday is first to stage a banquet at every H. J. Heinz center the country over. The largest of these banquets will naturally be held in Pittsburgh, where thousands of employees will be seated at the festive board. The second largest will be at Holland where between 150 and 200 employees and guests will partake from the bountiful tables and you may be assured that the 57 varieties will be all present.

And so dotted all over the country in communities where the H. J. Heinz Company has large and small plants, banquets will be staged.

The unusual feature is that after the inner man has been taken care of the speaking program is to come from the central banquet hall at Pittsburgh in a national hook-up, the "Tavern." The fine \$500 machine will be used at the local hotel and no doubt wherever these banquets are held the best instruments will be brought into play in order that the speeches as well as the music may be brought out to the best advantage.

In Holland, the banquet will start Saturday night at 5:30 sharp and the speaking program is expected to begin via radio shortly after 7 o'clock. The occasion for this nation-wide banquet is the dedication of a tremendous auditorium known as the Employees Service Building at Pittsburgh. On this occasion President Herbert Hoover will be the principal speaker.

Altogether more than 100 banquets will be given all at the same time in different parts of the country and these are to be attended by 11,000 employees. The main banquet will be held in the new building to be dedicated, where dinner will be prepared for 3,000 employees.

While principal banquets will be given throughout this country, in England, Spain, Canada and Australia, the same menu will be served at each.

As part of the dedicatory exercises, the employees will unveil a table which has been placed in the foyer of the auditorium. On the table is the following inscription: "This tablet is placed here by the employees of H. J. Heinz Company to mark sixty-one years of continuous friendly relations and to record their appreciation of this auditorium and service building dedicated to their use, comfort and happiness."

The moving spirit back of this big banquet idea is Mr. Howard Heinz, the man who took charge of this tremendous company when his dear father passed on. He has planned this large building and when it was ready for dedication, Mr. Heinz said:

"The idea of an employee theater and recreation building is not new to our company. More than 30 years ago my father, the founder of the business, decided that employees should have an auditorium for their meetings, entertainments and social gatherings, and one was promptly erected with a stage, pipe organ and other suitable equipment. We have had factory restaurants and recreation rooms for many years, and have found this good business and a satisfactory policy from every viewpoint.

"We encourage social, educational and athletic organizations and activities, and aim to furnish facilities which will promote the interests of all employees.

"As Pittsburgh is headquarters, we hold international sales conventions and also conferences of our branch factory managers here. These meetings bring large groups to the city and we must have quarters for their meetings.

"Owing to the growth in our business, we found our old auditorium and restaurants were not adequate to meet the demands upon them and so we have erected this new building.

"We believe the building will have a civic value. Pittsburgh is becoming a greater convention city each year. It will make still more progress in this direction when the community center is built. We feel a special responsibility to the city's guests, as more than 60,000 people from all parts of the world visit our plant each year. Our new building will provide better facilities for their entertainment, and we hope their visits will aid in giving them a good opinion of the city's hospitality.

"Women are intensely interested in foods and their preparation. To aid them in studying these subjects we maintain a home economics department and it will have quarters in the new building where lectures and demonstrations will be given. Another use of the new auditorium will be an annual free cooking school demonstration for the housewives of Western Pennsylvania. It will be conducted every day for a week."

The address by President Hoover will be broadcast from the white house at Washington to the banquet halls. Speakers at Pittsburgh will be Howard Heinz, president of the company; Sir Henry Worth Thornton, head of the Canadian National Railways, and Charles Nagel, secretary of commerce and labor in President Taft's cabinet. The program will include vocal numbers by Grand Opera stars and selections on the large pipe organ.

ELECTION NOTES.

While our own Nick Hoffman ran strong in his own township, the Park Twins gave him a bad beating, going against him by 69 votes; not very neighborly as it were.

Those poor voting machines went the way of the other amendments, voters simply moved them all down.

Dan Pagelsen who is on a six-month leave of absence was elected circuit court commissioner.

Congressman Carl Mapes has not been troubled with insomnia nor did a nightmare in the form of a democratic donkey bother him. They couldn't find a candidate willing to run against Mapes who, by the way, has 8040 votes to spare in Ottawa county.

Generally speaking, the republicans grant a candidate a second term without question.

The literal translation of Van Eenennaam is "one name" — well Gordon's was the only one to appear on the ballot for State Senators and Ottawa remembered him with 7733 votes. His old stamping ground, Zeeland, came through with 473.

Johnny Dethmers, our new prosecutor, will be well remembered by his home town, Zeeland, with 615 votes. No wonder — this is the first time our neighbor has been eating from the political table. They sure are entitled to a seat at the festive board once in a while.

Our popular county clerk, Wm. Wilds only had 7718 votes to spare.

The voting machines voted themselves out by better than a 2 to 1 vote. Folks felt a little too poor, it would appear.

That supervisor amendment also went the same way, and both Peters will have another chance.

Since primary day quite a crop of Democrats have grown into being. In September there were none, but in November — well, that's another story. Dry weather seems to agree with raising Democrats.

Carl Bowen, at one time Holland's city engineer, will again engineer the county surveyor's job, beating that gentleman Lowing by about 6000 votes. Carl, by the way, is also our good roads engineer.

The two coroners, Gilbert and Govett, can go to it again — one at each end of the county. What could be more appropriate than an undertaker as a coroner since the job carries with it a solemn undertaking?

Comstock is now out of politics for good he says. No wonder. "poor cuss," has been the goat for the "steenth" time now, and always an "also ran." But without "kidding," he is a fine fellow and an able man, even if he is a Democrat.

The minister to the Netherlands just had time to vote before taking his second ocean voyage, accompanied by his "better half."

New York voted wet by 700,000 votes. We hope they will allow some of that wetness to reach us thru the St. Lawrence waterway now dammed up at New York harbor.

Senator Couzens polled the highest vote in Ottawa county, his total being 7769.

Nick Hoffman received a handsome majority in his own township. Who said a "prophet was not honored in his own township"? Holland, too, stood by Nick by a majority of 477.

It seems that Detroit will not "rule the roost" judging from the way the re-apportionment amendment was snarled under. Figures show about 40,000 — no recount.

ARMISTICE DAY TO BE OBSERVED BY SCHOOLS

Armistice Day will be observed by the Holland schools Tuesday, November 11th. In the forenoon exercises will be held in the various schools. A parade of all school children of the city and the patriotic organizations will be held in the afternoon, beginning promptly at 1:15. The parade will organize at Junior high school and proceed up River avenue to Eighth street and east to the Park Marquette tracks and counter-march by the same route.

Prof. L. L. Tyler of Alma College will speak in the high school auditorium at 3:30 o'clock in the afternoon. The public is invited to attend this patriotic meeting.

HOPE FROSH WILL FACE COURT NOV. 17

The student council of Hope college has made provision for a court to try frosh violators of class rules Nov. 17.

Court officials are: Judge, Myron A. Leenhouts; prosecutors, Fred Wynyard and Justin Vander Kolk; clerk, Jacob Juist; bailiff, Harry Friess.

The committee to examine the charges against the frosh includes: Myron Leenhouts, Louis Scudder, Clarence Bekker, Ethel Cannagin and Anna Booth.

with which the theater is equipped. There is another Mr. Hoover who will have some connection with this banquet besides the President and that's our own Mr. J. A. Hoover, able manager of the Holland plant. He and his efficient committee will see to it that the features connected with the Holland end of the nation-wide radio banquet are well taken care of. Mr. Hoover has had one experience with a similar banquet and the editor of this paper can emphatically say that Mr. Hoover and staff were instrumental in making it a most delightful evening.

Ottawa County Vote Is Now Tabulated

VOTING MACHINES GO IN THE DISCARD. SHERIFF STEKETEE WILL SERVE ANOTHER TERM

All election results in Ottawa county have been tabulated and the entire state legislature and Ottawa county ticket have won out with large majorities. Sheriff Steketee goes back for another term; Treasurer Den Herder, formerly of Holland, is again elected chairman; Nick Hoffman, although receiving a large complimentary vote in Holland and Holland township found that there were not enough to spare to elect him over George Borek for county drain commissioner.

The voting machines were snowed under in Holland together with the other amendments for it appears that the voters of the city were not amendment-minded this year, voting them all down.

The Holland City News, on page 3 of this section, gives a complete tabulation of the entire vote in this county. Also a tabulation of the results on the amendments in Holland, Holland township and Park township. Inspectors in other parts of the county failed to give these returns when they turned in the results on the county candidates and these results will have to be gone over together with the rest of the vote by the Board of County Commissioners who will "check and double check" them.

Turn to page 3 for election results.

DE PREE SINGS ON THE RADIO

Announcement has been made that Stanley De Pree of Zeeland, who won the state championship for radio audition for men, will appear on the program from radio station WGN on Sunday afternoon, November 16, some time between the hours of 1:00 and 3:00 o'clock. He will be announced on this mid-western district contest program by number only, so that it will not be possible to recognize him except by his voice.

CONTRACTOR DYKE IS BUSY ON FURNACE COMPANY OFFICES

Contractor Frank Dyke is rushing the work on the new \$300,000 administration building for the Holland Furnace Co. The steel work has been completed and the roof will be on by Dec. 15. Dyke is hoping to have the structure sufficiently advanced so no delay will be experienced on the interior work in the winter.

GEO. GETZ PROMINENT IN NATIONAL PRESS

We believe we can call him our own Geo. Getz, anyway he is being prominently mentioned in a great many ways in the national press these days.

Sometime ago he was appointed by the city of Chicago to head the

Mayor and Council Committee of Advisors. He has just been appointed chairman of a large committee working out the unemployed labor problems in Chicago.

He is one of the judges according to the Chicago American who is to give away a \$25,000 Dream House in a better home contest in Chicago, all to stimulate building business.

The latest activity of Mr. Getz is to promote the Army-Navy game to be held possibly in Chicago, the proceeds going to relieve the needs of Chicago's unemployed.

Holland is getting a lot of national-wide publicity because of the Getz-Dempsey-American Legion boxing card and now the papers are filled with the Getz-Dempsey hunting trip in Africa next January and thru it all Holland has had its share of mention.

Miss Rena Boven, assistant superintendent of the Holland hospital, has been appointed to the post of superintendent by the board of directors of the Holland Hospital Association. Miss Boven replaces Miss Mabel Miller, who has been superintendent for the past twelve years.

Dr. A. Oltmans, the veteran missionary to Japan, who is spending a furlough in this country, gave a splendid address in the South Blenden church last Thursday evening telling of his work among the lepers in Japan. His message was very much enjoyed by the audience. Dr. Oltmans was entertained at the home of Peter Stegeman over night where he made his home during the summer when he served this church as a student missionary about forty-five years ago.

Allegan city resumed central standard time Saturday midnight, as was voted by the city council at its session Sept. 22.

Rev. Jerry Veldman, pastor of the Richmond Street Reformed church, will have charge of the morning and evening services at Bethel Reformed church Sunday.

FIFTY YEARS AGO TODAY

Election results for president in Holland were as follows: James A. Garfield, 226; Hancock, dem., 153. For Governor, Jerome (R), 156; For Governor (D), 156, tie. Sheriff, Holloway (D), 156, tie. For sheriff, Vaupeil of Holland, 375; Murray, 75. Laketown cast 146 votes of which 125 were for Garfield. Overlaid term republican for the first time since its creation: Garfield received 6 majority. Sausage-gut gave Garfield 6 majority. Garfield carried Ottawa county by 1800 majority and Allegan county by 1100 majority. L. T. Kanter of Holland was elected county treasurer by a majority of 125 on a fusion ticket — democrat-Green-back. Note — President Garfield was shot on the morning of July 2, 1881 by Charles J. Guiteau, a dissatisfied Illinois office seeker. According to the files of the News the shooting took place in the Pennsylvania railroad depot at Washington. The president had just passed through the ladies room followed by Secretary Blaine when the first shot was fired, striking the president in the arm, which would not have proved dangerous, although it seemed to stagger the president. With the second shot taking effect in the left side, the president sank to the floor. Depot officers captured and held Guiteau until the police arrived. The president was rushed to a hospital and was later taken to Long Beach on the ocean, where he lingered in life until death took him on Sept. 19, and all during this period a note was hoping and praying that this great man might recover.

Guiteau was given a trial which lasted several months, his attorneys even at that early date pleading insanity which Guiteau in a loud voice and with a curse on his lips would not ascribe to. He was convicted and hanged.

Vice President Chester Arthur followed Garfield as president. Your editor remembers that it was the most gloomy 4th of July Holland had ever known when father rushed home to inform the Mulder family that Garfield had been shot.

Jurists selected for circuit court duty for Ottawa county during the November term from Holland are Ed Van Drezer and Herman Cook; Holland township, Martinus Van Dyke; Olive, Charles Raak; Zeeland, Nick Vintena.

A new furniture factory is to be built just north of the Pere Marquette railroad freight depot. The shop, it is said, will employ 175 men. The Holland City News heard this rumor just as it goes to press, and hastily set it in type so we would share the good news with our readers. Note: The factory in question was the Charles P. Holland and Haven Foot-Ball History

RECORD OF GAMES STARTED WITH TIE IN 1903. BIGGEST BEATING, 82-0 IN FAVOR OF HOLLAND

The files of the Holland City News give some interesting scores in football as this relates to Grand Haven and Holland. Rivalry has always been keen and sometimes a little more than keen, according to reports.

It appears there was a streak of heavy winnings for Holland, from 1914-1917. This must have been in the days of our own Franklin Cappon who made such a wonderful record later at Michigan for which he was honored here at home with a banquet when Coach Yost was the headliner of the evening and it seems we remember a medal or a watch that "Cappy" and "Roby" each got.

Anyway, coming back to the Grand Haven score it would seem that the county seaters are one game ahead. But how our boys did smother them with scores.

Saturday's game, a report of which will be found elsewhere in this issue, was the last victory and, by the way, it was a good egg on our neighbors.

Now, boys, take out pencil and paper, for here is the score since 1903, as near as we can figure, which began with a tie.

COMMUNITY CHEST CAMPAIGN BRINGS \$50 FROM CALIFORNIA

The following letter from John J. Cappon of California is self-explanatory.

October 29th, 1930.
Glen Donald Apartments,
2121 West Ninth Street,
Los Angeles, California.
Mr. W. C. Vandenberg,
Chairman, Community Chest,
Holland, Michigan.
My dear Mr. Vandenberg:—

I was pleased to read in the Holland City News that there had been a move made to create a Community Chest in Holland for the purpose of taking care under one organization of the various calls for assistance in a substantial manner. The several organizations which are dependent on public support for the carrying on of the good work they are doing toward the general uplift of the city's reputation for sobriety and high ideals.

This movement should receive the support of every citizen who is interested in the well being of our fair city, and although we spend the greater part of our time in the fair city of Los Angeles, California, where they are also raising a fund for their Community Chest which is calling for over three million dollars, we feel that we owe an obligation to the place we call home, Holland, Michigan, and wish to contribute towards the Chest, and therefore you will find enclosed my check for fifty dollars (\$50.00).

Wishing you and your several committees an unprecedented success, I am,

Yours truly,
Jno. J. Cappon.

A large number of folks from Zeeland attended the noon meetings at Hotel College conducted by Dr. Paul Harrison. Dr. Harrison is a missionary of the Reformed Church in Arabia.

The Maple Ave. Glee Club of Holland will render a sacred program at the North St. Ch. Ref. church, Zeeland, on Thursday, Nov. 13. The Glee Club is well known here, having previously given successful programs here. This program is sponsored by the young peoples society. Everyone is cordially invited.

Next Tuesday evening, the teachers of Holland township will meet at the Beechwood School north of Holland. Arrangements for holding the 1931 eighth grade graduation exercises and the annual election of officers are among the important items of business to be transacted.

The Grand Haven post office is being painted by a local firm of decorators—G. H. Tribune.

BIG BOXERS ALREADY IN TOWN FOR FRIDAYS "GO" AT ARMORY

Fight fans from far and near are headed this way to be in time for the boxing show at the Holland Armory at 8:30 Friday night. Both Touchstone and Lohman have arrived and are now in training. The other participants in the different events are arriving on every train.

The boxers will weigh in and will be examined this afternoon in Dr. Wm. Weststrate's office. All the fighters will be in Holland by noon.

The advance ticket sale has been encouraging to the Legion committee. Blocks of the pastboards have been sold, yet a few of the choice seats remain in each class. A sell-out is expected before the show begins tonight.

Large crowds greeted the boxers yesterday and today as they engaged in public workout at the Van Ark building. Both Benny Touchstone and Joe Lohman are doing some light training and shadow boxing during their exhibitions.

Touchstone and his mate, Bobby Young, who will fight Alex Miller in one of the prelims, went through their paces this morning.

One young man from Holland, namely "Bud" Purchase, who is to be in one of the events will always remember that Jack Dempsey was the referee in his bout. Mr. Getz and Jack are expected early this afternoon.

MAYOR BROOKS MAKES EARNEST APPEAL

At the Common Council meeting last evening Mayor Earnest Brooks delivered a message that has to do with the unemployed in Holland and his earnest appeal found below is self-explanatory.

Holland has usually enjoyed such a fair degree of prosperity that it is unusual for us to be called on for extensive relief work among our own people. Homes large and small, sit side by side in an atmosphere of such neighborliness that the few who might want are taken care of quietly by their good neighbors, before this actually appears. The difference between those who have and those who have not, has never been stresser here in Holland, and above all things, we would not stress it but we would take care of those in need in just such a quiet neighborly way as has always been done in the past. Right now they are more in numbers, and so just that much more will we extend ourselves in making proper provision for them.

So I feel it is time to take official cognizance of the unemployment situation in Holland. It is difficult to determine to what extent this unemployment situation is bringing distress to our fellow citizens. We recognize the fact that there is always seasonal unemployment. It would scarcely be our duty, in our present capacity, to endeavor to overcome that, but we must recognize that after such a long period of depression, there are some who, because they

America Abroad

Hundreds of get-rich-quick Americans who promptly took the first boat for Paris to flaunt their money and its supposititious power in the faces of the thrifty French have not gone abroad this season; and their loss has proved a gain in understanding between the French and Americans.

While the so-called palace hotels have been virtually empty this season, the smaller "family" hotels in Paris report a thriving business. The type of American who can afford to stay in a modest pension is not usually the rude, blatant, aggressive person who is such an unfortunate advertisement for America away from home. He travels because he wants to learn something of foreign countries, to visit galleries and historic shrines, and to become acquainted with people of other lands who live as quietly as he does in his own country.

To be sure, such tourists do not appreciably increase a country's revenues. The free spenders of old were the gold mines. But for this very reason the French are looking with new respect on these visitors who have spent the savings of years, perhaps, on a trip abroad and mean, accordingly, to get the most and best out of it. For a true Frenchman has only contempt for anyone who flings his money right regarded as fair prey.

SIZOO ELECTED TO FOREIGN BOARD
Rev. Joseph R. Sizoo, pastor of New York Ave. Presbyterian Church, and Hope College Alumnae of '07, have been elected a member of the Foreign Board of the Presbyterian Mission Rev. Mr. Sizoo is also a graduate of New Brunswick Theological Seminary, and received his Doctor's degree from Hope College.
Mr. Sizoo is author of two books: "Abraham Lincoln—A Heritage and a Hope," and "William Jennings Bryan."

MILHAM TALKS OF PASTURE SHORTAGE HERB

Ottawa Farm Agent Makes Award For Summer Club Work

Farmers who will be short of pasture another year may increase the yield of their pasture lands by an application of lime and fertilizer. In Kalamazoo county the Sells Department of the State College co-operating with the agricultural agent obtained the following results:

Hydrated lime gave an increase of 60%. 300% of 5-12-4 fertilizer gave 102% increase. 300% of 10-12-4 gave 116%. Where both lime and fertilizer were applied the increase was 150% with 5-12-4 fertilizer and 174% with 10-2-4. These same ratios will prevail on hay crops stated Ottawa County agricultural agent. Because of the short of hay and pasture this year Mr. Milham recommends fertilization early next spring with the above analysis fertilizer.

County champions in boys' summer club work were awarded at the county achievement day held at the Coopersville High School. All sections of the county were represented with champions announced by P. G. Lundin from the State College. Winners who are entitled to attend club week at the State College next July are:

Raymond Walt, Coopersville, 1st year calf club.
Elmore Modderman, Lamont, second year calf club.
Lloyd Kremers, Jamestown, third year calf club.
Melvin Baron, Holland, pig club.
Earl Richard Boonstra, Zeeland, poultry.

Leonard Westrate, Coopersville, senior potato club.
Albertus Elenbaas, Zeeland, junior potato club.
Wm. Westrate, Coopersville, corn club.

Ernest W. Vannatter, Coopersville, rabbit club.
According to C. P. Milham, county agricultural agent, there were 261 boys enrolled in club work in Ottawa County during the last year. 4th club work is making very rapid gains each year. This winter no less than twenty handicraft clubs will be carried on by nearly two hundred boys under supervision of local leaders.

Local leaders of boys and girls 4H clubs in Ottawa county held a successful training school at Allendale October 31st. The purpose of the meeting as arranged by Esther C. Lot, home demonstration agent, and agricultural agent C. P. Milham, was to bring together the leaders in this work to get acquainted and to provide information and assistance in making the work more efficient and successful. Thirty-seven leaders representing all sections of the county met together, learned club songs, enjoyed a pot-luck dinner and received instructions from college club specialists, P. G. Lundin and Mrs. Harriet Shaver. Halloween decorations were used to make the hall and tables attractive.

Hope College students were glad to hear the band this year at the Homecoming when it made its first appearance. Edwin Tellman, who was president last year, gathered as many old members and new recruits as he could, and under Mr. Eugene F. Heeter's direction a practice was held with the result that the band was able to play for the parade and mass meeting Friday, October 24.

Only One Billion
Shaw's Universe Builders
Don't Neglect Colds
Still a Queer World

Four banks are to combine in New York city, making a \$1,000,000,000 concern that will have more branches than any other bank in America. It will not have more dollars, a billion being "small change" among institutions like the Chase, Equitable, National City and others.

All things, even great finance, change. Once a great bank took pride in immobility, remaining on the same spot for a century or more. Now banks are in the chain store business, competing with drug stores, cigar stores and restaurants for the best corners. To hold your place in this day, as Mr. Murphy said, it is necessary to keep moving.

Cute Sam changes his views also. A few years ago he was chopping Standard Oil into little pieces because it threatened to become a billion-dollar concern, which was more than he could stand.

Now, American Telephone & Telegraph alone owns five billion dollars' worth of real assets, to say nothing of good will and franchise value, and Cude Sam is calm. He has been in the billion-dollar business himself since the big war.

George Bernard Shaw revealed a list of the "eight billions of universe" at a dinner in honor of Professor Einstein. His list reads: Aristotle, Pythagoras, Copernicus, Ptolemy, Galileo, Kepler, Newton, Einstein.

It is a good list, although the future has still to pass on Einstein's right to a place in it. Shaw might have crowded in Archimedes, who did so much for physics that for 1,000 years nothing of importance was added to his work. And he might well have included Descartes, one of the six greatest astronomers.

Dr. L. Stieglitz of New York, a brilliant physician and scientist, rebuked an elderly patient for neglecting a cold. The rebuke should be useful to all men past fifty. "Nothing could be more dangerous," said Doctor Stieglitz. "When you neglect a cold at fifty—older you deliberately endanger your life. A cold in itself may be easily cured with two or three days in bed. Neglected, it runs into pneumonia."

Mr. Whitney, who died recently, aged fifty-eight, had a cold and went about for three days neglecting it, attending to business, and finally went to bed. Pneumonia developed and he died in twenty-four hours. He hadn't a chance. If he had gone to bed at the first signs of a cold, he would probably be alive and well now.

Men around sixty are dull beings, usually, but some of them do useful work, and are important to their families. They should heed Doctor Stieglitz' warning.

You are living in a world still primitive. Brazil reorganizes itself by violence, just as this country did 154 years ago, and the Brazilian mob in Sao Paulo tears down its Cambury prison, as the mob of the French revolution tore down the Bastille.

In the Arctic German scientists, traveling peacefully on their dog sleds, were suddenly abandoned by their Greenland guides, who informed the Germans that there were demons on the ice. They knew it by the sudden change in the weather. The Germans tried to persuade the Greenlanders that demons live in a hot country and couldn't stand the ice, but the Greenlanders know better. Their hell is frozen, not hot.

Mussolini has definite ideas about supplying employment and giving a good celebration to the nation.

In honor of the eighth anniversary of his march on Rome with the Fascist army, two thousand different public works are announced, representing a cost of \$100,000,000.

The new works include schools, gardens, workmen's dwellings, roads, new streets, restoration of Rome's ancient glories.

Mussolini appeared on horseback before 10,000 mutilated war veterans and was wildly cheered, as well he might be. No matter what happens hereafter, nobody can take from him one of the greatest successes in the world's history.

The British government wants to diminish or eliminate the performances, perfunctory summery now, at the tomb of the Unknown Soldier, and invites all other nations to do the same. Britain thinks the ceremonies keep alive the war spirit and inflict hardship on visiting statesmen, now expected to buy a wreath and bury to the tomb on arrival.

The ceremonies, that have no meaning, might be omitted out of consideration for the unknown dead man. Whoever he may be, he is entitled to rest now that the war has been over so long.

An encouraging word on business improvement comes from Mr. Farrell, president of the big steel company. He is a conservative man, and his advice against reckless price cutting is constructive and necessary. If business men cut each other's throats, practically eliminating profits in the big lines of business, they will all fall in the ditch together.

Blessings are to be multiplied to the students of Hope this week, when in addition to the prayer week exercises and Dr. Harrison's presence, we shall have with us on Thursday, Mr. Jesse R. Wilson, General Secretary of the Student Volunteer Movement, who is touring the colleges of Michigan in an effort to reorganize the State Union of Student Volunteers. Standing at the head of the Movement which interprets to students the world mission of Christianity, he has acquired both the insight and skill necessary for bringing students face to face with the challenge of the world's need for Christ.

Much Beloved Holland Woman Passes Away

MRS. HENRY WINTER SUC-CUMBS AFTER ILLNESS OF SEVERAL MONTHS

Holland was saddened within the week when they heard of the death of Mrs. Amelia Winter, wife of Mr. Henry Winter, local banker. Death took place early in the evening of Thursday at the residence at Pine avenue and Eleventh street. Although her passing was not unexpected since she had been seriously ill for months, the actual extreme sadness to her host of friends and many relatives both in Holland and in Saugatuck.

Mrs. Winter was the daughter of Mr. and Mrs. G. H. Shriver and she was born in the village of Saugatuck 49 years ago. She was a graduate of the Saugatuck High School and was a member of the faculty of that school for some time. She was also president of the Alumni Association of Saugatuck High School and did much for education while still a resident of our neighboring village.

Mr. and Mrs. Henry Winter and family divided their time between Holland and Saugatuck. They owned a quaint home on the Kalamazoo River where the waters lazily flowed by their cottage and in a cozy nooks with flowers and vines they often sat to commune with nature and to see the activities that a beautiful river front affords in this beautiful nature spot.

Mrs. Winter was a lover of nature. She loved the flowers and reveled in the nurturing and propagating of beautiful blooms and what is more she shared with others the beautiful things that she loved. She was also a lover of art and fine literature and was often called upon to give book reviews at our ladies' civic clubs and a resume from the best books was always looked forward to with delight.

The funeral of Mrs. Winter was held from the home on the afternoon of Monday at 2 o'clock and at 2:30 at Hope Church with Rev. Dr. Thomas W. Davidson, the pastor, officiating.

The things Mrs. Winter loved most in life were not forgotten when she passed on. The floral tributes were most beautiful and filled the rostrum and organ loft of Hope Church. Thoughtful friends remembered that Mrs. Winter loved flowers and their consideration on this occasion was most pronounced.

The services opened with an organ prelude thoughtfully selected by Professor W. Curtis Snow. An Hope Church quartette softly rendered "I Am Near My Home Today."

Dr. Davidson, in his discourse, paid a high tribute to Mrs. Winter and in a word picture portrayed this much beloved woman just as Holland had always known her. Dr. Davidson said in part as follows:

"We are met this afternoon to pay our last tribute of respect to the memory of one whose life was beautiful in its simplicity and blessedness. As her pastor, if I were asked to sum up her personality and character in one brief sentence it would be—She was a lover of the beautiful and the good. Indeed, to Mrs. Winter as to the artist-poet Keats—the good was the beautiful, and the beautiful was the good."

"Mrs. Winter was a lover of the beautiful in Nature. That old Scripture to her was significant: 'God hath made everything beautiful in its time.' She saw this beauty in the sunrise and the sunset; in the starlight and the rainbow; in the tints of the wayside flower, and the lustre of the curious shell. Indeed all beauty was to her—as to King-ley—a wayside Sacrament. God's handwriting, which she welcomed in every fair face, fair sky, fair flower, and thanked Him for it who is the Author of all loveliness. She was born and brought up in the lovely district of Saugatuck, where the river joins with Lake Michigan, and the great sand dunes guard like sentinels the background of a charming landscape. Indeed, I frequently motor out to Saugatuck to look on the scenes she knew and loved so well. She was familiar with all the plants and wild flowers which abound in the neighborhood, and it was an education for her younger friends to go on a stroll with her through the fields or the forest. Once, to a friend she said 'I am a child of Nature; and the word was a self-revealing one. She could truly say:

"For the leaf tongues of the forest,
And the flower-lips of the sod;
And the birds that hymn their music

Into the ears of God;
And the living word that bringeth
Sweet music from the lea;
Have each a voice that singeth
God's beauty unto me."

"She also loved the beautiful in the realm of Art. Her temperament and tastes were truly artistic, and she was never happier than when in the midst of her artistic treasures. Among these treasures were reproductions of the Madonna's by the great masters and it was a peculiar satisfaction during the past summer to have brought to her from Europe by a dear friend a reproduction of Raphael's 'Madonna Del Gran Duca,' the original of which is in the Pitti Palace of Florence, Italy. This was her favorite among them all because of its rich and warm and deep coloring. Knowing her interest in this size of life I loaned her a book a few months ago entitled 'The Spiritual Message of Great Art,' by Dr. Fred Doyle Kershner, Dean of the School of Religion in Butler University, and it was a memorable hour when she returned it to hear her discuss the author's treatment of his subject.

"Above all these named, our dear departed friend was a lover of the beautiful in Character. She was well trained in a Christian home. In her girlhood and youth she attended the Congregational church at Saugatuck with her brothers and sisters, and her old church had ever a warm place in her mind and heart. After her marriage to Mr. Henry Winter she joined Hope Church on confession of her faith in Christ, and adorned its membership. Her life was an open book for all to read. She was beloved by her fellow workers in the various organizations of the church. Every one knew that the beauty of Christ made her lovely and that the charity of the Master lived in her soul

and breathed from her lips. There was no place in her heart for anything petty or bigoted. It is a comfort to think what a companionship and source of strength she found during the closing weeks of her earthly career in the Twenty-third Psalm, which was frequently repeated to her in hours of weakness. Life had its mysteries for her—as indeed for all of us. Everything that medical science and skill could do was done for her, but without avail. When told that the end was near, she received the news calmly and said: 'I know I shall be cared for by the Good Shepherd when I pass on.' Her faith in God never faltered. She knew that for her, life had not been a mockery, but an education; that death meant for her, not merely a dissolution, but a departure to be with Christ; and that immortality did not mean endless passivity but endless progress, while God was all, and in all.

"It is almost too sacred to name, but we think today as we take leave of her wonderful love of home, her love and loyalty to her husband, who will miss her companionship sorely, and her devotion to her sons whom she carried in her heart continually. Her wide circle of relatives and friends will ever think of her with the sweetest and tenderest affection, but behind all and above all was her adoration and love of Jesus Christ as her friend and Saviour. Of her it may truly be said: 'The memory of the just is blessed.'"

Dr. Davidson fittingly closed his discourse, quoting from the verses of Mrs. Barrett Browning entitled "The Sleep," which she wrote in view of her own death and which was peculiarly appropriate to Mrs. Winter. Following the service Hope Church quartette sang "Lead Kindly Light." The benediction was spoken and the friends who gathered paid their last respects to a beloved friend and neighbor.

Miss Amelia Shriver of Saugatuck was wed to Mr. Henry Winter of Holland on June 21, 1905, and besides her husband, two sons, Robert and Donald, ages 15 and 11

respectively, survive. Also two brothers, William J. Shriver, Chicago; Henry Shriver, Saugatuck, and three sisters, Mrs. Ellen Perry, Buffalo, Mrs. Gertrude Parkinson Hazen, Buffalo, and Mrs. Julia Coates, Chicago.

The pallbearers were intimate friends of the family. They were John Riemersma, John Bosman, Ed Westveer, Charles McBride, Fred Boone and Daniel Ten Cate.

The entire staff of the Peoples State Bank attended the funeral in a body and this institution, of which Mr. Winter is cashier, was closed for the day. The other two banks in the city were also closed during the hour of the funeral in deepest respect for the Winter family.

Interment took place in Pilgrim Home Cemetery.

The largest tire in the world is on its way to Holland, and will be on exhibition in our city on Monday evening and Tuesday morning, according to Mr. Charles Van Zyl, manager of Holland Vulcanizing Co., located at 180 River avenue. That intense interest will be aroused is a foregone conclusion, as this gigantic tire, an outstanding curiosity, has been an awe-inspiring spectacle wherever it has been shown. "This massive tire, which has traveled thousands of miles, visiting various sections of the United States and Canada, has been an object of wonderment. It measures twelve feet in height and four feet in width, and the total weight of the tire and yoke is 3,900 pounds, just a fraction under two tons," said Mr. Van Zyl. "This tire was built by the Goodyear Tire & Rubber Company of Akron, Ohio, in line with that company's policy of pioneering and research, through which have come many of the most important developments in the tire industry. The longer folks look at it the more interested they become. A well-known airplane manufacturer, while focusing his attention on the unique exhibit, remarked that the day was not far distant when planes of huge type would demand tires the size of this one to be exhibited in our city. This great tire was not built in a day, or a week, or a month. Three months' time was required to construct the rubber giant, which is except for size, an exact replica of the regular Goodyear All-Weather tread Superwrist cord tire, the measurements being in exact ratio to measurements and manufacture of the regular size tire. Air? Yes, plenty of it is necessary for the mammoth casing. Forty-five minutes' time is required for inflation to a pressure of three pounds. The tire is attached to a special constructed base by two shafts extending from the casing."

One dog was a hound, the other a mongrel of shepherd and hound extraction. The sheep were terrorized by the onslaught and many may die from fright as it is said a sheep once frightened seldom lives long.

Holland's record thus far carries two defeats, two ties, and two wins.

State Police to Exercise Rights Over Semaphore

Traffic lights which in some communities have been installed in such numbers as to defeat their own purpose, will come in for some pruning next year, according to Corp. Roy L. Shields of the state police at Grand Haven, who recently completed a survey of the situation.

Commissioners of the state highway department and the public safety bureau are given the right to regulate operation of traffic lights under an act of the 1929 legislature, and this right may be exercised next spring, Shields said. Many cities, Shields reported, have merely succeeded in slowing up traffic with their signal lights, where the intent was to avoid congestion. Motorists, the officer said, "are becoming more and more critical and will not tolerate sitting under red lights while nothing moves in front. Such a situation merely delays traffic and results in loss of respect for the motor vehicle regulations."

Shields pointed out the custom of larger cities of erecting lights only where traffic totals 700 or more automobiles an hour. At other intersections, he believed "stop street" signs would be sufficient, except in unusual cases.

PHASANT WALKS INTO IONIA STORE WHERE SEASON ENDS

Some hunters search the whole season through without being rewarded with the bagging of an elusive pheasant, but some have more luck.

John Tutenhoof, an Ionia shoe dealer, often trekked the woods and dales seeking ring-necks, but today he had merely to open the front door of his store to spy one of the sweetest specimens of the species he ever laid eyes on.

Waiting upon a customer, John's attention was diverted toward the store entrance, and he stood aghast as a large sized cock pheasant entered in all the glory he could muster. Once inside the store, ring-neck's mortality rate increased immeasurably—for it was only an hour before the season closed, with sunset, for the year.

The bird apparently wandered away from the flats along Grand river, became bewildered by downtown traffic and sought refuge in the store.

Hope Gridmen To Play Final Here Friday

The Hope college eleven will face its final grid opponent of the season Friday afternoon when Kalamazoo college appears on the local field. The Hope-Kalamazoo game is expected to be the high spot in the schedule of both teams, and a worthwhile battle is in store.

In basketball Hope has Calvin as its rival, but Kalamazoo has been the great foe of Hope athletic teams for a great number of years. Last fall the Orange and Blue grid-ers earned a decision over the Hornets at Kalamazoo. The visitors will arrive intent on gaining ample revenge for that defeat.

STILL HAVE HOPES FOR OIL IN ALLEGAN

Another attempt to find oil in Allegan will soon be under way, the drilling of a well on the plat, opposite the manufacturing district. It was on this plat a short distance to the west, that oil was first found in Allegan and still more of it close by near the dam. Drilling for oil in Michigan is not going on so fast as it was last spring and partly because of the excessive production in the southwest making a glut of the product in the market. A new gusher was finished in Muskegon last week.

STATE TO "SWAP" 15,000 ACRES IN U. P. FOR U. S. LAND

Approximately 15,000 acres of land in the upper peninsula will be exchanged by the department of conservation with the United States forest service for lands desired by the state.

Approval of the exchange was given by the conservation commission at its regular October meeting.

The federal government will turn over to the state 15,250 acres scattered through the peninsula and principally in areas in which the department is attempting to block up forests, game refuge and other projects.

A similar acreage having the same real value will be decided by the state to the federal government. This land is located in the area known as the Marquette purchase unit, in Chippawa county.

The lands to be traded to the federal government are cut over, bearing practically no timber of merchantable value. They are scattered through 11 counties in the upper peninsula.

MUSKEGON WOMAN SPEAKS IN HOLLAND

The League of Young Women Societies of the Church of Christ held an interesting meeting in the Central Avenue Christian Reformed church Monday evening.

Miss Alberta Brat led the devotionals after which a duet was sung by Miss Gertrude Van Kampen and Mrs. J. Veltkamp. Miss Esther Ten Brink gave a reading and a few selections were rendered by a girls' quartette of the Central Avenue church. Miss Dena Kuiper, president of the League, introduced the speaker of the evening, Mrs. J. Doffin of Muskegon.

Mrs. J. Doffin gave an interesting review of the experiences of Miss Henrietta Kuiper, daughter of Dr. and Mrs. Abraham Kuiper, with the different girls' societies in the Netherlands, which she visited.

After the interesting discourse given by Mrs. Doffin, refreshments were served and a social hour was enjoyed. About 150 girls attended.

DEMPSEY TOO BUSY WITH REFEREEING TO TALK COMEBACK

By Lou Diamond in Chicago Times: Jack Dempsey won't even hear and have about that comeback now. The old Manassa mauler never would give a definite yes or nay, but he doesn't mention the subject at all these days. At least, that's the story Leonard Sacks, Dempsey's business manager, brings to town.

Dempsey at present is lolling around Ensenada, Mexico, and is due in Chicago Nov. 5. The personality kid is coming this way for a visit with his friend, George Getz, one of our leading citizens and member of the state athletic commission. Mr. Getz is sponsoring a boxing show for the American Legion at Holland, Mich., Nov. 7, and Jack is to referee the bouts.

Following the Getz affair, Dempsey will go to Columbus, Miss., a guest of honor of the Democratic Mississippi day on Nov. 10. Columbus is a college town and Jack's personal appearance there will be the main attraction. Nov. 11 will find Dempsey in Atlanta, Ga., where he will referee the homecoming battle between Young Stripling and Arthur De Kuh.

Say referee to Jack and let's ready to get up and go places; mention a comeback and he gives you the impression it's one of those things he'd just as soon forget.

NOTES FROM ALLEGAN COUNTY AGRICULTURAL AGENTS' OFFICE

The county agricultural agent, A. D. Morley, will hold a stump blasting demonstration at the farm of Frank Lane, Bloomingdale route 1, one-half mile west of Base line school house in Cheshire township, on Wednesday, November 12. Those interested in learning about the use of explosives are invited to attend the demonstration.

The potato and muck crops men should not forget the Southwestern Michigan Potato and Muck Crops Show at the Kalamazoo Armory, Nov. 17, 18 and 19. It will be the only show of its kind in the State. If you have any problems, bring them to the specialists who will be in attendance during the show.

West Michigan Co. Shows Some New Sets In November

NEW WOODS AND NEW DESIGNS WILL BE BIG FEATURES FOR THE DEALERS HERE

Grand Rapids Herald—The West Michigan Furniture company of Holland, which exhibits an extensive line of distinctive bedroom suites on the first floor of the Fine Arts building, reports that business has been good with them and that their factory, located at Holland, has been running practically full time.

This company has arranged some choice new offerings for the buyer attending the November market, including a distinctive English group in walnut, a quaint Early American ensemble and a modified Moderne grouping in maple and sassafras, a foreign wood of rare beauty.

The West Michigan Furniture company has been highly successful in creating a series of bedroom suites of authentic period design within a price range which brings them within the reach of the great middle class of American homes. One of their most popular ensembles is a group of Early American pieces from authentic sources in cherry. This company has been in the forefront for many years in sponsoring a modified, attractive version of the Moderne highly appropriate for the home of today.

Charles Kirchen is president and general manager of the company and Vance C. Maple, secretary and treasurer.

The West Michigan Furniture company employs Dutch craftsmen, with many years of skillful cabinet-making, which is reflected in the fine workmanship.

Mr. and Mrs. William Lokker and family of Holland spent Sunday in the home of Joseph Skinner.—Fennville Herald.

Jack Dempsey Will Referee Holland Show

BENNY TOUCHSTONE AND JOE LOHMAN TO CLASH IN 10-ROUND FEATURE

Grand Rapids Herald:—The most important boxing show ever staged in Holland is listed for the pretty little city on Black lake to night when Benny Touchstone, state heavy-weight champion, battles Joe Lohman, the Toledo veteran, who has fought in Grand Rapids and Muskegon rings in recent weeks.

This match is good enough for any city in the state and it takes on considerable more importance due to the fact that Jack Dempsey, former world's heavy-weight champion, will referee. Dempsey, who is one of the most colorful boxing figures of all time, is alone certain of packing the Holland armory for the show, which will probably break all past attendance records for the city. The seating capacity is being enlarged.

The show is being staged under the auspices of the Willard G. Leenhouts post of the American Legion, which is being assisted in the plans by George Getz, millionaire sportsman of Holland, who is bringing Dempsey to Holland at his own expense. Prior to the show Mr. Getz will give a banquet at the Warm Friend Tavern for Dempsey.

Touchstone will outweigh Lohman around 20 pounds, but Lohman has fought many big men during his time and few of them have ever stopped him. In Touchstone's last appearance in Grand Rapids he flattened Andy Shanks in three rounds. Lohman's last two fights were with Martin Levandowski and Tony Canalela and in both bouts Joe put up a highly pleasing performance.

Alburt Engle, the hard-hitting Muskegon middleweight, will face Bobby O'Signac of Benton Harbor in the semi-windup. O'Signac is a rugged, experienced boy who should provide a big test for the hard-punching Engle. Merl Wright of Fremont is down to meet Glen Shepherd of Kalamazoo in one of the prelims.

HOLLAND YOUNG MEN PLAN ACTIVE SEASON

GETZ OUTLINES PLAN TO RAISE FUND OF \$1,600,000

Chicago American: George F. Getz, chairman of governor's committee on unemployment relief, will present a plan to raise \$1,600,000 for a community chest during Thanksgiving Week, before the finance committee at a meeting today.

According to the plan, minute men are to raise funds at theaters and movies during this week. Business enterprises, taxis and theaters are to contribute a percentage of their income on designated days. Fraternal, athletic, social and other organizations are to hold entertainments and solicit contributions for the relief chest.

His plans, Mr. Getz explained, are subject to approval of the commission's finance committee, upon which will devolve the task of filling the community chest.

George Woodruff, chairman of the board of the National Bank of the Republic, will discuss the plan with Mr. Getz and later submit it to the finance committee.

All Chicago is resounding to the governor's plan and it appears certain the amount will be raised during the week set aside for the drive.

"It Was A Great Victory!"

Holland 12

Saturday's game at Riverview Park turned out to be an enjoyable victory for our local High School. A victory over these friendly opponents in football always proves a "red letter day" in the year for Holland.

Football, however, is not the only game in which one may excel. The game of finance, although intricate, is about as interesting as any game if properly and honestly played.

As in football, it is essential to learn the fundamental and the first lesson in finance is saving in order that you may have a reserve force to "buck the line" and overcome life's obstacles that interfere with ultimate success.

How Grand Haven Views High-Game

MAROON TEAM GETS TWO BIG BREAKS AND CONVERT THEM INTO TOUCHDOWNS

It is rather interesting to know how Grand Haven thru the Tribune views the Holland High victory of 12 to 0.

Here it is:—Grand Haven Tribune.—Holland High's classy football machine defeated Gas Cohn's fighting bunch of Grand Haven gridders Saturday afternoon before a colorful crowd of nearly 5,000 fans who gathered at Riverview Park in Holland. The final score was Holland 12, Grand Haven 0, but the score does not tell

of the wonderful fight the Blue and Gold gridders put up against their more experienced opponents. By virtue of the victory Holland claims the title of Ottawa county football champions and the Wooden Shoes thus retain permanent possession of the beautiful Huisenga football trophy.

Records of both teams were tossed to the winds and as the game progressed most anything was apt to happen. The Blue and Gold team outdid all its previous efforts and played the Holland bunch to a standstill most of the game and at times outfighting and outplaying the conquerors of Muskegon Heights. The Havenites, however, were the victims of two bad breaks which the Hollanders made the most of and converted into touchdowns.

The first Holland touchdown came when the game was not five minutes old. After an exchange of punts, in which Capt. Huttenga

HOLLAND HIGH BAND SAYS "HELLO"

As it appeared at Riverview Park during this football season. The formation spells "HELLO"

completely outdistanced the Holland punter, Grand Haven had the ball on Holland's 29 yard line. Grand Haven tried its favorite ground gainer, the lateral pass. Klomparsen, Holland's right flank, broke through and intercepted Sluka's lobbing lateral pass to Huttenga and the lanky Holland end raced 65 yards for a touchdown. Beekman's place kick for the extra point was wide.

Grand Haven was not to be out-fought and the Blue and Gold warriors came back fighting making several bids for counters only to lose the ball on fumbles and intercepted passes.

During the latter part of the third quarter, Grand Haven made a spirited drive for the goal. Capt. Huttenga and Dirkse did the most of the ball carrying during this spurt. After an exchange of punts, Grand Haven had the ball on their own 38 yard line. A short pass, Dirkse to Huttenga, netted 10 yards and then the Blue and Gold warriors took the oval through his left tackle for another 11 yards and a first down on Holland's 37 yard line. A long pass, Dirkse to Olson, was intercepted by Te Roller, Holland fullback, and thus ended Grand

Haven's most serious bid for a touchdown.

Holland put the game on ice a few minutes later when Norlin, Holland right guard, blocked Huttenga's punt after the local team had been pushed back to their own 38 yard line. Holland took possession of the ball and a series of line drives landed the oval on the Blue and Gold 25 yard line. Beekman, Holland left half, then went around left end behind perfect interference on a twenty-five yard run for a touchdown. The point after touchdown failed when the pass from center went wild.

Holland presented on their line a tackle who outplayed and outshone all the rest of the linemen on the field. This tackle is Johnnie Good, who should receive all-state mention at the end of the season. In Klomparsen and Loyer, Hinga displayed the nicest set of ends seen in this part of the state for some time. Time after time these two flankers went down under punts landing the ball inside the Grand Haven 10 yard stripe. These two boys also shone on defense. Holland's pony backfield did not show up to much advantage, the Grand Haven ends breaking through and getting the ball toters for losses many times.

On the Grand Haven team, Capt. Huttenga showed for the first time this season that he could still gain yards through the line as he did in former years. Ed made several nice dashes and carried the brunt of the Blue and Gold offense. Dirkse, Grand Haven's hard hitting fullback, played a whale of a defensive game, many times breaking thru the Wooden Shoe line and smearing Holland ball toters before the play was in motion. Olson and Hansen also played well on the Grand Haven flanks. Dugas also showed up well.

IMPROVED UNIFORM INTERNATIONAL**SUNDAY SCHOOL LESSON**

(By REV. P. H. FITZWATER, D.D., Member of Faculty, Moody Bible Institute of Chicago.)

Lesson for November 9**THOMAS, THE HONEST DOUBTER**

LESSON TEXT—John 11:14-16; 14:5-6; 20:24-29; 21:1-2.
GOLDEN TEXT—And Thomas answered and said unto him, My Lord and my God.
PRIMARY TOPIC—Learning to Trust Jesus.
JUNIOR TOPIC—Thomas, the Man Who Wanted to Be Sure.
INTERMEDIATE AND SENIOR TOPIC—Learning to Trust Jesus.
YOUNG PEOPLE AND ADULT TOPIC—The Value and Peril of Doubt.

The name Thomas means "a twin." His alternate name, Didymus, means the same. From the linking of his name with Matthew in the listing of the disciples, it is commonly inferred that Thomas was a twin brother of Matthew. Thomas is constantly presented in the Scriptures as a man of skeptical mind, yet of unquestioned character. He was an honest doubter. The Lord is not displeased when men put him to the test. No honest skeptic has ever been left in darkness. The truth of Christ's declaration still obtains. "If any man will do his will, he shall know" (John 7:17).

I. The Fidelity of Thomas (John 11:14-16).

When Lazarus, beloved brother in the Bethany home, was sick, the distressed sisters, Mary and Martha, sent for Jesus because they had come to know him as more than a mere man. Jesus, after a strange delay, went to Bethany. He knew, and apparently the disciples knew, that going to Judea at this time meant death. His mission in going into Judea was twofold: to strengthen the faith of the disciples (vv. 11-15), and to restore to these sisters their dead brother.

Jesus fearlessly discharged his duty, though his life had been threatened. He plainly declared that Lazarus was dead. Thomas was skeptical as to Jesus' ability to raise Lazarus from the dead. In spite of this fact, his loyalty moved him to cast his lot with Jesus.

Jesus asked the disciples to trust in him even as they trusted in God, assuring them that he was going to the Father's house and would come back and escort them to heaven. Christ asserted that he is:

1. The Way to God (v. 6).
2. The Truth (v. 6).

He is not merely the teacher of truth, but he is the truth incarnate. In him we have the truth about man, what he is and what he ought to be and what he shall be in the future. In him especially we have the truth about God. Only as Christ reveals God can men know him (John 1:18).

3. The Life (v. 6).
- Christ is not merely the giver of life. He is the very essence of life.

III. Thomas Makes Absolute Demands (John 20:24-29).

1. Jesus manifests himself to the disciples, Thomas being absent (vv. 24-25).

He was absent at Jesus' first appearance after the resurrection. Why, we may never know. His absence deprived him of a vision of the Lord. Absence from the assembly of believers always occasions loss. The other disciples went to Thomas with the glad news of the resurrection, but he did not believe their testimony. His stubborn belief was such that he doggedly declared that unless he saw the nail prints and put his finger therein and thrust his hand into the Lord's left side he would not believe.

2. Jesus manifested himself to the disciples, Thomas being present (vv. 26-29).

Observe:

- (1) The Lord's kindness to those who have difficulties (v. 26, 27).
- Thomas desired rebuke, but the Lord quietly supplied the evidence demanded.

(2) The Lord reveals himself to Thomas (v. 27, 28). Upon this revelation of himself Thomas was transformed from a doubter to a confessor.

3. The superior blessing of believing without sight (v. 29). Having patiently furnished Thomas with tangible evidence of his resurrection, Jesus instructed him that to believe in him without such tangible evidence as he demanded was a higher and better state of mind than his.

IV. Jesus Reveals Himself After the Resurrection (John 21:1-2). Thomas had learned his lesson. He was on hand the next time the Lord revealed himself.

Barkel, Miss Omel Palmer, Miss Angelina Slotman, Miss Theresa Wierama, Miss Amy Potter, Miss Margaret Kleeves, Miss Ethelene Kleeves, Miss Marian Van Eyck, Miss Margaret Poll, and Mrs. E. Hietje, teacher of the class.

Miss Ida Tucker was honored with a miscellaneous shower at her home last week Tuesday afternoon by a group of relatives. The bride-to-be was presented with many beautiful gifts. A dainty two-course luncheon was served by Miss Minnie Prins and Miss Ida Tucker. Those present were Mr. and Mrs. Ben J. Tucker, Mr. and Mrs. Henry Tucker, Mr. and Mrs. Heri Lemmen, Mrs. John H. Tucker, Mr. and Mrs. Gerrit Tucker, Mr. and Mrs. William Havedink, Miss Fannie Tucker, Miss Minnie Prins and Miss Ida Tucker.

Mrs. J. Batema, Sr., celebrated her seventy-fifth birthday anniversary Friday evening at her home on East Sixteenth street. All the children except Garry Batema, who is in New York, attended the celebration. Mrs. Batema was presented with a purse. Those present were Mrs. J. Batema, Sr., Mr. and Mrs. J. ZEELAND

The Hallow'en situation in Zeeland this year was one of the quietest in the past 10 years. Chief of Police Ed Ryngaard didn't have to make an arrest or issue any warning. No windows in the downtown district were soaped. Next year a program and a parade will be staged for the youngsters because of the good behavior registered this year.

With the Ottawa county class C title at stake, Zeeland and Coopersville battled evenly to a scoreless tie here today. The closeness of the contest is accurately described by the fact that Zeeland gained nine first downs, while the home team had only one loss. In the first half Coopersville completely outplayed the visitors, making 6 of its first downs to two for Zeeland. The Dewey-coached team had a slight edge in the punting duel, but was unable to profit from this advantage when fumbles robbed it of scoring chances. During the second half, however, the tables were turned as Zeeland threatened almost continually, particularly in the last quarter. An aerial attack by Zeeland met with some success, five passes being completed for a total yards of 49. Three times in the last quarter the invaders were within the 10-yard line, once losing the ball on fourth down a foot and a half from the goal. De Vries, Caball and Keller were outstanding for Zeeland, Holmes and Otterbein for Coopersville.

The following interesting editorial was taken from the Grand Rapids Press—Every year a national radio audition contest is held, with the co-operation of the National Federation of Music Clubs, to determine the best young singers of the nation. In Michigan's contest this year No. 22, presented merely by these numerals to the radio audience serving as judges, carried off the state honors by a rich bass rendition of a well known concert song. The voice turned out to be that of young Stanley De Pree of Zeeland, high school and Hope college football star and student leader, who has been studying music under Louis Gravure, of State college. The day when vigorous young fellows of De Pree's type recognize music as a worthwhile profession is a red letter day for the advance of music in popularity. Radio has helped tremendously to increase public respect for the musical entertainer. Instead of going abroad

for opera stars our great operatic organizations are increasingly turning to American talent. Ten years ago the fine voice of a Stanley De Pree might have gone undeveloped for sheer lack of interest in Zeeland, Grand Rapids and most other cities. Today the owners of such voices are encouraged to make the most of them by admirable training. Scholarships and prize contests attract the talented young musician in every field. Michigan's famous high school orchestra camp is an instance of the fast-growing interest in musical attainments both as a means of making a living and as a means of making living more pleasurable. This stimulus was needed, for the increase of "canned" music both over the ether and via record made fair for a time to destroy all interest in learning to play and perform. Fortunately the opportunities radio offers, and the growth of musical culture it has provided, have turned the country in the other direction instead, and Stanley De Pree of Zeeland offers an illustration of the result.

DR. VAN KERSEN SPEAKS ON "INDIA" AT CENTURY CLUB MEETING

The Century Club met Monday evening at the home of Mr. and Mrs. Henry Gerlings, 90 West Fourteenth street, at which time they were privileged to hear Dr. W. J. Van Kersen, who spoke on "India." Dr. Van Kersen spent two months in India this summer during his trip around the world.

Dr. Van Kersen pointed out that Christianity is much needed in India to raise the morals of the race; that religion has made a substantial contribution to the development of the Indian mind, but the work along that line is only started. Mrs. Arthur Vischer ably rendered several solos. She was accompanied by Mrs. Curtis Snow. During a short business meeting Professor and Mrs. Curtis Snow were elected members of the Century Club.

ZEELAND

Bible study among the men members of First Reformed church, Zeeland, has been started under direction of the Men's Brotherhood. The pastor, Rev. John Van Peursem, will act as instructor.

Due to illness the past month John D. Dethmers, Zeeland, Republican candidate for prosecuting attorney of Ottawa county, was unable to stage a campaign fight up to the last minute. The local young man won the primary election over several other candidates. He will be the first man to represent Zeeland in a county office in 23 years if he wins over the Democratic opponent, C. Misner of Grand Haven. Dethmers won by a fine majority over a very worthy opponent.

The first debate of the year for the local high school team will be held at Zeeland this Thursday, with Caledonia as the opposition. The local team will be chosen from Alice Kattie, Jean Van Hoven, June Van Peursem and Lester Wolterink. Henry Rook, 71, died at his home in Zeeland Saturday after a lingering illness. Rook was widely known in southwest Ottawa county, as he served several terms as supervisor of Zeeland township and Zeeland city. He is survived by the widow, one daughter, Mrs. William Borst, and several grandchildren. Funeral services were held at 2 p.m. Tuesday at the home. Burial was in Zeeland cemetery.

BROTHERHOOD

What love can span these chasms here below
Or on our hearts bestow the gift to feel
Beyond the bounds of race, of clan or creed,
And give us grace to seek the common weal?
What force can make me care for brutal men
That step on flow'rs I love the best,
And gather weeds in which to take their pride,
Or strew my path with thorns in added zest?
What charm can lure my eyes to look beyond
The outward deeds and forms of flesh and blood,
To only see how pure immortal souls
May be, when cleansed beneath the guiltless flood?
From age to age the glorious answer rings
That I may love both friend and foe,
If for their souls I choose to pray,
Because my Saviour loves them so.
